Watching our children trick or treat is a memory all parents cherish. Whether due to family situations, work or parenting schedules, some parents never get the chance to be right there on the night watching their ghost and goblins go door to door.

In 2014, we decided to change that!

We are excited to be organizing the 4th Annual Pumpkin Prowl, where we will be playing games, making crafts, and parading through your neighborhood in our Halloween best, knocking on participating doors and making new friends along the way.

We are partnering with Mountain Kidz Klub and Erich's Cupboard to collect canned and nonperishable food items for their food pantry. We will be collecting these items at Belview Park, and we'll have a volunteer walking the parade route as well.

We are looking for small business to sponsor the treats to be given out by participating homes so they don't have to purchase candy for two Halloweens. We are asking for small monetary donations, and you will be mentioned on Facebook, Twitter, and the official trade map as a home sponsor.
